Happy Friday, GPA Community!

Today is the day we have all been waiting for, Trunk or Treat!! Please read below for details on the event.

1. The event will run from 5:30pm-8:30pm or until we run out of candy.
2. When you arrive, you can park in the parking lot on the right side, in front of the preschool entrance. Also, there will be 1 row of parking in the furthest row from the school, in the back. The entire trunk or treat area will be caution taped off. There is no driving allowed within the caution tape during the event. Please keep your speed below 5 miles an hour when exiting the parking lot. **You will need to use the furthest lane from the school to exit.** If there is no parking in the parking lot, feel free to park on the side streets. Please, ensure you are being respectful of driveways and mail boxes.
3. This is a school and community event, so please be patient and kind when looking for parking and driving around the area. We are all here to have fun.
4. There will be a maze, face painting, live DJ, crafts, food trucks, trunk or treating, pumpkin bowling, photo booth, and a pumpkin patch. Items such as crafts and pumpkins are first come first serve. All items are free of charge except the food trucks. Please be respectful of the items that are set up, especially in the maze.
5. All trunk or treaters need to be accompanied by a guardian.
6. The main building will be open for restroom use only. The rest of the building will be locked.

We cannot wait to see everyone there! It will be a spooktacular night filled with memory making and tons of fun!

We want to take a moment to thank all of the families and businesses that donated candy for this event. It is because of you, this event will be a huge success. THANK YOU!! The GPA community is the best!
