Parents – you can join your student(s) on the road.

We invite you to join us in at-home heart-healthy behaviors by accessing the [KHC Experience](#).

**Why do we support the American Heart Association?** 2/3 of out-of-hospital cardiac arrests occur inside a family's home. Funds raised can help train millions of people to respond in a cardiac emergency to save the life of a loved one. [Go to Finn's Mission to begin this training for your family!](#) Share what you learn on your social media to complete another part of Finn's Mission and encourage others to learn too!
