The mission of Grand Peak Academy is to develop students of great character, who are culturally aware, accepting of diversity, appreciators of history, arts, mathematics, and sciences, and are prepared to meet the challenges of the world today. We value parental partnership through direct involvement in classroom and school activities and community stewardship through our support of local charities and hosting of community events.

The Board shall use the Mission and the Plan for Success (Academic Success, Economic Sustainability and Character Growth) as the filter for all decision making.
